CVHAA DONATION SHEET

I am a homeschooled student who plays basketball on a team with other homeschooled students. We, the Central Virginia Homeschool Patriots , have been in existence for over 10 years. Like other high school teams, we play teams from other schools - mostly private schools, some of which you might recognize. However, unlike other high school teams, we are paying for rental of a gym that will be considered our "home gym."

Like other school teams, we must raise our own funding to support our team and its needs. In order to assist us in this quest, we have sought and been granted designation as a 501 (c)(3) tax-exempt corporation. You may know that means that any donation any individual or business makes is a tax deduction for them.

We are raising funds for our gym, website, and uniform expenses. Would you be willing to donate for this effort? Your help would be greatly appreciated. Thank you!!!
