**PART 4 - PLAYING TIME AGREEMENT (for JV and Varsity Level):**

The CVHAA Patriots basketball is a competitive high school program. We are not a recreational or home school “club.” While we strive first and foremost to honor Jesus Christ with our conduct on and off the court, CVHAA desires to provide our student athletes with the same experiences and opportunities enjoyed by area public and private schools in regard to quality competition, tournament play, and a pathway to college level athletics. This means coaches will be fielding what they believe to be the best combination of players possible in order to develop individual players and compete to win games. Please realize that equal playing time is not guaranteed at this level of competitive basketball.

We, as coaches, feel this is a biblical approach to team athletics. As long as good sportsmanship is observed, striving to win in a competitive sport is not unfair to others, nor “un-Christian.”

In fact, the nature of competitive sports can strengthen the student athlete’s walk with Christ, since:

- 1 It teaches other-centeredness in stressing what’s best for the team instead of what is best for “me.”
- 2 It prepares student athletes for the realities of life. Competition is part of life, and not everyone gets to be 1<sup>st</sup>. In this we learn humility & grace.
- 3 It saves student athletes and parents from spiraling down into murmuring and “backbiting” which the Bible forbids among believers.

A student athletes who is not satisfied with their playing time, position or substitutions, etc., should ask the coach directly what they can do toward achieving their personal goals. This aids our student athletes in dealing directly with authority figures outside the home. It is incumbent on all coaches to provide specific instruction so that players may fulfill their potential. Parents are encouraged to cheer their son or daughter and support the team, but should **not**, under any circumstances, petition coaches for playing time, positions, or other special consideration.

I have read this document and agree to all the terms and conditions contained herein. **I have read and agree to abide by the Player-Parent Code of Conduct.** I confirm that the player named above is homeschooled and eligible to play with CVHAA. **I understand all the registration money is due with the form unless arrangements are made in advance.**
